

I was looking for a phosphorus-free dishwashing detergent:

- ☐ I couldn't find any
- ☐ I was specifically looking for \_\_\_\_\_

Starting, July 1, 2010 it will be illegal to sell dishwashing detergent containing 0.5 percent phosphorus or more in Washington state.

**Please help protect our lakes, rivers, and streams by providing this product.**

Note: This law does not apply to commercial and industrial uses.

DEPARTMENT OF  
**ECOLOGY**  
State of Washington
